James Thomsonsone was born in about 1600 of Dalkeith, Midlothian, Scotland. James married Janet Jamesone 18 April 1621 in Inveresk. Janet was likely born in Inveresk. Only one other Jamesone was married in Inveresk. This was George Jameson, who married Marioune Thomson the year after Janet, on 19 October 1622. George may be Janet's brother, and Marioune may be James' sister.
