

## FAMILY GROUP RECORD OF WILLIAM SMALLEY

Malynn Smalley was christened 2 May 1560 in Beeston, Nottinghamshire. The parents' names were not recorded in the parish registers in the mid-to-late 1500s, but William Smalley was recorded as a churchwarden from 1563-1591, and was the only adult Smalley in the records at that time. William was likely Malynn's father. The pattern of births/christenings is typical of a single family.
