No christening record has been found for John Tidder in High Ercall, and there are no families recorded as having children christened in the High Ercall parish register in the 1630s. The only family in the early 1600s were Roger and Catherine Tidder.

The family of Roger and Catherine Tidder are recorded as having children christened in the early 1600s. It is possible that John was a younger son of this family, born in the 1620s but not recorded in the parish

register, or was a son of one of the older sons of Roger and Catherine (such as Thomas or Roger junior).

Roger Tidder married Catheryne Mathewes 4 November 1607 in High Erccall. Both were listed as "*of this parish*". Roger was a husbandman or labourer, and was "*of Slafford*". Catherine was most likely the daughter of John and Johanne Mathewes of Waters Upton in High Erccall.

Roger and Catherine had the following children:

1. Thomas, christened 25 January 1608 in High Erccall "*of Slafford*".
2. Margaret, christened 1 March 1610 of High Erccall "*of Slafford*".
3. Roger, christened 6 March 1613 "*at Waters Upton*" in High Erccall.
4. Elizabeth, christened 17 November 1616 in High Erccall.
5. Mychaell, christened 23 December 1619 in High Erccall.
